VERSA ULTRALITE

THE ULTRA PORTABLE NOTEBOOK FOR FREQUENT TRAVELLERS

When your work requires you to travel, you require a portable computer that won't weigh you down on the way or slow you down when you get there. Though it's only 1.39kg light, the NEC VERSA ULTRALITE packs some heavyweight computing specifications.

From its powerful Transmeta™ Crusoe™ processor to its 64MB of RAM, 10GB HDD and 10.4" TFT Monitor, VERSA ULTRALITE is ready to tackle the biggest tasks. Whether you're working in the office, a hotel room, or transit lounge, communication is easy with Fast Ethernet and a 56K modem included as standard.

The Advanced power management and optional batteries, means ultra-extended battery life to take the worry out of being away from a power point.

Many good things come in small packages and the NEC VERSA ULTRALITE is one of the best.
